# Take Action to Disable Poverty

**HERE ARE JUST A FEW THINGS THAT  
CAN HELP REDUCE POVERTY AMONG  
AMERICANS WITH DISABILITIES.**

- ✓ Ensure all financial products and services are accessible for people with diverse disabilities, including physical locations and websites.
- ✓ Offer free and/or low-cost checking and savings accounts for people with disabilities.
- ✓ Offer alternative means of communication for deaf and hard of hearing customers.
- ✓ Provide affordable and accessible mobile banking.
- ✓ Offer financial education and other volunteer support services to disability and advocacy organizations.
